

About Hagerty®

Over 30 years, Hagerty has grown to be the leading global provider of classic car and boat insurance, but they're still just a family business built on love for classics. Their passion drives them to keep improving their product and to give their clients the best service imaginable.

Why Hagerty®?

At Hagerty, they're as passionate about classics as their clients are. Their deep knowledge of classic vehicles and their owners allows them to offer better coverage for less. They offer:

- **Guaranteed Value™ coverage** – They'll agree up front on a fair value for your classic, and in the event of a covered total loss, you'll receive that full amount, less any deductible or salvage value, if retained. Guaranteed.
- **Flexible usage** – Classic and collector cars were made to be driven. Whether you're going to a show or taking a cruise to an ice cream shop, you are protected.
- **Hagerty Drivers Club™** – Hagerty Drivers Club™ gives members specialty roadside service designed specifically for classics, automotive discounts, members-only events, subscription to *Hagerty* magazine and much more – all at an incredible value.
- **Expert claims handling** – Their claims adjusters are trained in classic vehicle repair. In event of a claim, they offer stock original replacement parts and even have specialists on staff to hunt down rare and hard to find parts.
- **Low premiums** – Because they only protect classics, they're able to offer insurance at rates considerably lower than daily driver insurance.
